

## **Privacy Notice**

(Update January 10, 2021)

I am committed to maintaining the trust and confidence of all visitors to my web site and my clients. In particular, I want you to know that I am not in the business of selling, renting or trading email lists with other companies and businesses for marketing purposes. I just don't do that sort of thing. But just in case you don't believe me, in this Privacy Policy, I've provided lots of detailed information on when and why I collect your personal information, how I use it, the limited conditions under which I may disclose it to others and how I keep it secure.

### **Types of Data I Collect**

#### **Google Analytics and Wix Analytics**

When someone visits [www.louisagabriel.com](http://www.louisagabriel.com) I use third party services, Google Analytics and Wix Analytics, to collect standard internet log information and details of visitor behavior patterns. I do this to find out things such as the number of visitors to the various parts of the site. This information is only processed in a way which does not identify anyone. I do not make, and do not allow Google or Wix to make, any attempt to find out the identities of those visiting my website.

#### **Mailing Lists**

As part of the process to subscribe to my mailing list or to sign-up for any special offers, I collect personal information. This information is limited to your name and email address. I use that information for a couple of reasons: to tell you about things you've asked us to tell you about; to contact you if we need to obtain or provide additional information; to check our records are right and to check every now and

then that you're happy and satisfied. I don't rent or trade email lists with other organizations and businesses.

I use third-party providers, Wix Shoutout and Zoho Mail, to deliver news and special offers to people of my mailing list. I gather statistics around email opening and clicks using industry standard technologies to help me monitor and improve my communications. You can unsubscribe to general mailings at any time of the day or night by clicking the unsubscribe link at the bottom of any of our emails or by emailing our data protection team at [support@styleclinic1.com](mailto:support@styleclinic1.com).

### **Enrollment Data**

When you enroll in one of my programs, your name, address data, email and contact number will be stored in a secure database. Please be assured that I do not share your personal details with any other company without your consent.

### **Access to your Personal Information**

You are entitled to view, amend, or delete the personal information that I hold. Email your request to our data protection team at [support@styleclinic1.com](mailto:support@styleclinic1.com).

### **Changes to Privacy Notice**

I periodically review this privacy notice to ensure that I am protecting your data in the best way possible. Should any changes to the privacy notice be made you will be notified via email.

Thank you!

Louisa Gabriel
